Class #920 4 Yr Old Young Jumpers - Round 1
Class #921 4 Yr Old Young Jumpers - Round 2

COURSES: All courses will be made as inviting as possible for green horses with limited or no experience in a show ring situation. Very simple tracks will be used utilizing hunter-type tracks, with jumper type fences. The course will be designed to aid the horses in showing their natural talent in the very early stages of their training. Judges will be considering the potential of these young horses for a future in the jumper/grand prix rings. A rail down or refusal will not automatically eliminate a horse from placing well in the competition if, in the judges’ opinions, the fault occurred due to rider error or a “green” mistake.

ROUND 1: Each horse will perform an individual short flat phase with trot and canter work in both directions, demonstrating lengthening and shortening of stride. The horse will remain in the ring and, upon the sounding of the tone, will jump a course of fences with simple distances. A trot fence may be included in this round. Fences in Round 1 will be 0.90-0.95 M in height with spreads up to 1.05 M, giving the judges and course designers the opportunity to evaluate the quality and experience of the horses at that particular event. Horses may be shown in running or standing martingales, but draw reins are not allowed.

ROUND 2: All horses will return (the following day) to be shown over a course of fences up to 1.00 M in height and 1.10 M in width. Simple double combinations may be included. At the Course Designers and Judges discretion options may be included at a maximum of two of the fences. These options may not exceed 1.10 M in height and will allow riders to show their horses to their own best advantage. Judges will not reward or penalize solely on the basis of which option is chosen. Horses may be shown in running or standing martingales, but draw reins are not allowed.

10. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person’s foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs which can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

Stalls will be available on a first come first reserved basis and are non-refundable after the closing date of entries; stalls are also non-transferable. Should the supply be exhausted tack stalls may be restricted to one tack stall per four horse stalls. Stalls will be available Noon on the Monday prior to the start of competition and must be vacated by 5:00pm Sunday of the reserved competition week unless other arrangements are made with the Stabling Manager. Once a horse is entered it will automatically be assigned a stall - tack stalls are to be ordered using the Trainer Account online @ ShowGroundLive.com. 15. **SCHOOLING RULES**: Schooling will be permitted in designated sand schooling areas only. (The word “schooling” includes, but is not limited to riding, driving, longeing, leading and exercising). Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward and/or schooling supervisor. The rider/trainer/coach/person setting the jumps is also responsible to ensure the jump is set correctly in compliance with USEF rules and assumes the risk for improperly setting the jump. In accordance with California state law, poling and/or the use of offsets WILL NOT be permitted. Violations of schooling regulations may be considered cause for FINES and/or ELIMINATION and can be instituted by the official schooling supervisor, paddock master, official USEF Steward or any member of management should the situation arise. Signups are not required; however all riders who sign up will have access to the rings prior to anyone who does not. Once these 10-minute sessions are completed, schooling rounds for the time remaining will be available to those who did not sign up. During show days, if available, one hunter ring with a course of jumps will be open for ticketed schooling; if no arena is available during the show day, one arena will be open at the conclusion of the show for ticketed schooling until sunset. Hunter rings will also be open from 6:00AM – 7:00AM each day for flat schooling only. No poling or offsets allowed.

16. **CLOSED RINGS**: Show arenas are closed at all times when not being used for classes. Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. Violations of the above will be considered cause for FINES and/or ELIMINATION.

17. **CONFLICTS**: It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.

Photos, Videos & Livestreaming -- PRODUCTION FEE, FIVE DAY SHOW POLICY

For a fee of $150 ($75 Walk/Trot Opportunity), Blenheim EquiSports provides access to all professional photographs and videos taken of them. During each show week, all exhibitors will receive access to every single photograph taken of them competing (low-resolution format), perfect for posting on social media. In addition, exhibitors may access a library of their show videos for sharing and downloading. Videos are hosted, online for 30 days. This allows riders to watch their rounds from classes in every ring and share photos to re-live horse show memories with friends and family. All rings will be videoed & photographed and a free Livestream will be available for every ring, every day. This fee also includes the Show Office Fee & Medic Fee, previously charged separately.
