- **9. CONDITION OF ENTRY:** It shall be a condition of entry that each exhibitor shall read and sign the RELEASE, WAIVER, HOLD HARMLESS, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT attached to the Entry form.
- 10. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

- 15. SCHOOLING RULES: Schooling will be permitted in designated sand schooling areas only. (The word "schooling" includes, but is not limited to ridin g, driving, longeing, leading and exercising). Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward and/or schooling supervisor. The rider/trainer/coach/person setting the jumps is also responsible to ensure the jump is set correctly in compliance with USEF rules and assumes the risk for improperly setting the jump. In accordance with California state law, poling and/or the use of offsets WILL NOT be permitted. Violations of schooling regulations may be considered cause for FINES and/or ELIMINATION and can be instituted by the official schooling supervisor, paddock master, official USEF Steward or any member of management should the situation arise. At no time will the un-safe use of cell-phones w/ or w/out earbuds be tolerated in any schooling area while mounted or in the lunging area. PAID SCHOOLING SESSIONS: Weather permitting, the day prior to the start of the horse show, schooling sessions will take place in the SAND hunter rings @ \$30/horse/session. Riders will be asked to sign up ahead of time for warm up slots in order to help minimize wait time on show grounds and can do so by "entering" the warm up online as you would any other class entry. These warmup slots are for 10 minutes each and will be limited to 8 horses per ring. Trainers are not allowed to adjust or touch the jumps – they must be jumped as set. Signups are not required, however all riders who sign up will have access to the rings prior to anyone who does not. Once these 10-minute sessions are completed, schooling rounds for the time remaining will be available to those who did not sign up. During show days, if available, one hunter ring with a course of jumps will be open for ticketed schooling; if no arena is available during the show day, one arena will be open at the conclusion of the show for ticketed schooling until sunset. Hunter rings will also be open from 6:00AM – 7:00AM each day for flat schooling only. No poling or offsets allowed.
- **16. CLOSED RINGS**: Show arenas are closed at all times when not being used for classes. Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. VIOLATIONS of the above will be considered cause for FINES and/or ELIMINATION.
- **17. CONFLICTS**: It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.
- **18. MANURE**: Manure must be placed in designated areas, kept separate from trash. Each violation will result in a \$100 fine.
- **19. DOGS ARE A SERIOUS SAFETY AND HEALTH PROBLEM AT ALL HORSE SHOWS**. USEF GR 1301 Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards.
