## Quick Reference: Medal Classes

The SCHSA offers six Medal classes. These classes must be offered in addition to fifty percent (50%) of the classes required, for SCHSA approval. Medal Classes may not be run as an open card with other classes, but 17-Under with 18-Over or 12-Under with 13-Over when it is determined that the required number of exhibitors may not be met for points to count unless classes are combined. In combined Medal Classes, the highest placing rider accruing points, in the alternate age group of the winner, will also qualify for the finals.

- Eligibility: RIDERS AND TRAINERS MUST BE CURRENT MEMBERS BEFORE ENTERING MEDAL CLASSES. It is the responsibility of riders, parents, and trainers to understand eligibility rules for each medal class and to maintain eligibility through the finals. Horses must be recorded with SCHSA.
- Qualified riders may not show in final qualifying class at show hosting the medal finals.

### **SCHSA FUTURES MEDAL**

- This class shall consist of one round over a course of at least 8 fences not to exceed two feet three inches in height (2'3"), there shall be no combinations on course, only one change of direction is required, a work-off must be built into the course. As of 2023, there are no Oxers in the SCHSA Futures Medal
- This class is restricted to junior and amateur members who have not competed in a class where fences may be set over two foot six inches (2'6") in height.
- At least three exhibitors must complete the course.
- Points will be awarded as follows: 1st/10, 2nd/6, 3rd/4, 4th/2, and 5th/1.
- 10 points qualifies a rider for the finals. Riders may continue to compete after qualifying.
- Riders must maintain eligibility through the finals.
- Qualified riders may not ride in final qualifying class at the show hosting the medal finals

### **SCHSA 17 & UNDER HUNT SEAT MEDAL CLASS**

- This class shall consist of one round over fences counted (60%) and a flat phase (40%).
- The course will consist of at least eight fences set at three feet (3') in height, with two changes of direction, and at least one combination including an oxer.
- All riders must ride in both phases.

- The same horse and equipment must be used in both phases, with the exception of martingales, which may not be used in the flat phase. Three riders must complete both phases for the class to count.
- In order to compete in a medal class riders and their trainers must be SCHSA members before entering the medal class.
- To be eligible to compete in the SCHSA 17 & Under Medal class a rider may not have won a medal class with fences exceeding three foot three inches (3'3") in height, as of the date of winning the SCHSA medal class. After qualifying, a rider may compete and/or win classes above the height and still be eligible for that year's finals. However, that rider is not eligible for SCHSA Medal classes the following year. After a period of five years has elapsed since a rider has won a medal class at three foot six inches (3'6") or higher, that rider regains his eligibility to compete in SCHSA 17&Under and/or 18 & Over Medal classes.
- In order to participate in a medal class, a rider must be eligible by age on the day the rider competes in the medal class, as well as the date on which the Medal Finals are held.
- One rider per horse.
- Qualified riders may not ride in the final qualifying class at show hosting the medal finals
- May be combined with 18 & Over Medal for points to count when less than 3 entries

#### **SCHSA 18 & OVER HUNT SEAT MEDAL CLASS**

  - Riders must remain eligible through the finals.

# Rules & General Information

**8. MANAGEMENT:** The Horse Show Management reserves the right to itself to interpret all questions and conditions in regard to or arising out of or incident to the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the Horse Show Management and their decision is final. The Horse Show Management reserves to itself the right to refuse, accept conditionally, or to cancel any entries, disqualify riders or exhibitors, prohibit claim damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate judges, and to change specifications in jumper classes.

**9. CONDITION OF ENTRY:** It shall be a condition of entry that each exhibitor shall read and sign the RELEASE, WAIVER, HOLD HARMLESS, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT attached to the Entry form.

**10. ASSUMPTION OF RISK:** By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

**11. STABLING:** All stalls have dirt flooring and doors. 10' x 10' temporary wood shed-row stalls are available to rent for \$435/show week/stall - horse or tack. All USEF age verified horses up thru the age of 7 are eligible for the Young Horse/Reduced Stall Fee Discount of \$100/stall/show. Stalls will be available on a first come first reserved basis and are non-refundable after the closing date of entries; stalls are also non-transferable. Should the supply be exhausted tack stalls may be restricted to one tack stall per four horse stalls. Stalls will be available Noon on the Monday prior to the start of competition and must be vacated by 5:00pm Sunday of the reserved competition week unless other arrangements are made with the Stabling Manager. Once a horse is entered it will automatically be assigned a stall - tack stalls are to be ordered using the Trainer Account online @ ShowGroundsLive.com. Only pine shavings bedding is allowed; straw bedding is prohibited. Doors that are removed from stall fronts will be assessed a fine of \$100/stall/competition. Stall damage must be reported prior to move-in. Any intentional damage to your stalls (holes, slits, cuts, etc.) will be billed directly to the master trainer account.

**12. FEED & BEDDING:** Hay and Shavings will be available and can be ordered in the Horse Show Office. Advance orders may be made through the Blenheim EquiSports website for official Feed/Bedding Form. Orders must be placed by 12:00pm for same day delivery. **14. UNCOLLECTED FUNDS:** All accounts not settled by 5:00pm on the last day of competition of the competition week will be closed out by the official show secretary using the payment information provided. All persons issuing returned checks and/or declined credit cards will have ten days to settle their account, with cash or cash equivalent (including a \$100 penalty) or will be turned over to USEF & PCHA for disciplinary action. Accounts not checked out by Tuesday after each show will be assessed a penalty of \$100.

**15. SCHOOLING RULES:** Schooling will be permitted in designated sand schooling areas only. (The word "schooling" includes, but is not limited to riding, driving, longeing, leading and exercising). Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward and/or schooling supervisor. The rider/trainer/coach/person setting the jumps is also responsible to ensure the jump is set correctly in compliance with USEF rules and assumes the risk for improperly setting the jump. In accordance with California state law, poling and/or the use of offsets WILL NOT be permitted. Violations of schooling regulations may be considered cause for FINES and/or ELIMINATION and can be instituted by the official schooling supervisor, paddock master, official USEF Steward or any member of management should the situation arise. At no time will the un-safe use of cell-phones w/ or w/out earbuds be tolerated in any schooling area while mounted or in the lunging area. **PAID SCHOOLING SESSIONS:** Weather permitting, the day prior to the start of the horse show, schooling sessions will take place in the SAND hunter rings @ \$30/horse/session. Riders will be asked to sign up ahead of time for warm up slots in order to help minimize wait time on show grounds and can do so by "entering" the warm up online as you would any other class entry. These warmup slots are for 10 minutes each and will be limited to 8 horses per ring. Trainers are not allowed to adjust or touch the jumps – they must be jumped as set. Signups are not required, however all riders who sign up will have access to the rings prior to anyone who does not. Once these 10-minute sessions are completed, schooling rounds for the time remaining will be available to those who did not sign up. During show days, if available, one hunter ring with a course of jumps will be open for ticketed schooling; if no arena is available during the show day, one arena will be open at the conclusion of the show for ticketed schooling until sunset. Hunter rings will also be open from 6:00AM – 7:00AM each day for flat schooling only. No poling or offsets allowed.

**16. CLOSED RINGS:** Show arenas are closed at all times when not being used for classes. Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. VIOLATIONS of the above will be considered cause for FINES and/or ELIMINATION.

**17. CONFLICTS:** It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.

**18. MANURE:** Manure must be placed in designated areas, kept separate from trash. Each violation will result in a \$100 fine.

**19. DOGS ARE A SERIOUS SAFETY AND HEALTH PROBLEM AT ALL HORSE SHOWS.** USEF GR 1301 – Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of Yellow cards & monetary fines to the Trainer account on record.

**20. PARKING:** All vehicles must be parked in designated parking areas. Unauthorized vehicles in non-designated parking areas or permit-only parking areas are subject to being towed away at owner's expense.
