**PCHA Presents
Youth Show Jumping Foundation
U25 Challenge
“An American Jumping Style of Riding Competition”**

The Youth Show Jumping Foundation (YSJF) seeks to identify, highlight, and reward youth jumping riders 25 and under who show both interest and promise to become serious show jumping athletes on a national and international stage.

The YSJF's U25 Challenge invites athletes competing at 1.10, 1.20, and 1.30 meters to compete in an American Jumping Style of Riding competition. Athletes will compete in two initial phases. The de Nemethy Prep Phase incorporates dressage and gymnastics elements designed to show an athlete's skills in preparing for a jumping competition. The Show Jumping Phase is conducted under Table II, Sec. 2d and includes a water option. The highest scoring athlete from each of the height sections will move forward to the third phase, the Ride Off Challenge. The three athletes will each jump a 1.10-1.15 meter course on their own horse. Each athlete will draw a Challenge Horse, and each athlete will ride this second, unfamiliar horse over the same course. The athlete with the highest combined scores from all phases will be declared the overall champion.

Each of the three Ride Off Challenge athletes will receive a YSJF Training Grant to use toward furthering their horsemanship knowledge, specialized coaching, or a select competition. The trainer of the overall champion will receive \$3,000.

Class #525: Entry Fee: \$350

Horse Show Requirement: Riders & Trainers must be members of the PCHA -- see <https://pchashows.com/join/> for membership information.

\$2000 BLENHEIM EQUISPORTS WEST COAST FOUR-YEAR-OLD YOUNG JUMPER

CHAMPIONSHIP: Section Start Fee: \$175

Class #920 4 Yr Old Young Jumpers – Round 1

Class #921 4 Yr Old Young Jumpers – Round 2

COURSES: All courses will be made as inviting as possible for green horses with limited or no experience in a show ring situation. Very simple tracks will be used utilizing hunter-type tracks, with jumper type fences. The course will be designed to aid the horses in showing their natural talent in the very early stages of their training. Judges will be considering the potential of these young horses for a future in the jumper/grand prix rings. A rail down or refusal will not automatically eliminate a horse from placing well in the competition if, in the judges' opinions, the fault occurred due to rider error or a "green" mistake.

ROUND 1: Each horse will perform an individual short flat phase with trot and canter work in both directions, demonstrating lengthening and shortening of stride. The horse will remain in the ring and, upon the sounding of the tone, will jump a course of fences with simple distances. A trot fence may be included in this round. Fences in Round 1 will be 0.90-0.95 M in height with spreads up to 1.05 M, giving the judges and course designers the opportunity to evaluate the quality and experience of the horses at that particular event. Horses may be shown in running or standing martingales, but draw reins are not allowed.

ROUND 2: All horses will return (the following day) to be shown over a course of fences up to 1.00 M in height and 1.10 M in width. Simple double combinations may be included. At the Course Designers and Judges discretion options may be included at a maximum of two of the fences. These options may not exceed 1.10 M in height and will allow riders to show their horses to their own best advantage. Judges will not reward or penalize solely on the basis of which option is chosen. Horses may be shown in running or standing martingales, but draw reins are not allowed.

10. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. VIOLATIONS of the above will be considered cause for FINES and/or ELIMINATION.

17. CONFLICTS: It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.

Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others.
