Judging:

- A minimum of two USEF licensed equitation judges, sitting apart, will be used for each round.
- Each class will be judged under the current rules and standards of the USEF equitation division with the exception that competitors will be eliminated upon the second refusal.
- Judges are asked to walk each course and where there are striding options the judges are asked not to penalize any option that might be used to achieve the best result appropriate to the individual horse/rider combination.
- The judges will evaluate the rider's ability as a show jumping rider, and the manner in which the course was ridden regarding technical merit, judgment, and the execution of an efficient, time saving pace and track in meeting the specific challenges incorporated into the course by the designer.

Scoring:

- Four (4) points will be deducted for the first and second knockdowns on course and one (1) point will be deducted for each additional rail.

- The average scores from Rounds 1 and 2 will be added and carried into Round 3. Only the top ten (10) riders will compete in Round 3.
- The score from Round 3 will be added to their scores from rounds 1 and 2 to produce an overall score. There will be no further rounds or work offs after Round 3.

USHJA NATIONAL CHAMPIONSHIPS QUALIFYING INFORMATION OFFICIAL SPECS CAN BE FOUND ONLINE @ [USHJA.org](https://www.ushja.org)

A. Qualifying: Qualifying for the Championships differs based on the division for which you wish to qualify. **All entrants, for all sections, must apply to compete with a nonrefundable \$100 application fee by August 27, 2024.**

B. Entry: APPLICATION must be submitted electronically **using this link:**
<https://ryegate.com/SHOWS/NatChamp/2024/index.html>

1. An application will be required to be ranked by the top sections in which they want to compete. This will be utilized after the closing date to assist us in placing you in your preferred qualified section.
2. Late application (after closing date) will be accepted. However, all late applications must pay the non-refundable \$100 applications fee and will be placed at the bottom of the wait list regardless of points and will not be considered until all on time nominations have been exhausted, regardless of zone.
3. Applications will not be accepted through the Show Office after November 8 at 5 pm EST.

C. Qualifying List: Qualifying lists will be made available after applications close August 27, 2024. Note that qualifying lists are based on points earned from competitions with a start date from December 1, 2023 to August 27, 2024.

D. Points: Because the USHJA uses USEF point totals for the qualifying period, we urge you to send your entries early. Please ensure that your points are correct with USEF. There is no need to send lists unless there is a pending discrepancy with USEF. All point discrepancies between your total and USEF total will be resolved through USEF before acceptances are issued. Do not send USEF printouts. For qualifying for all Hunter and Jumper sections, once USHJA Zone points list are exhausted, National standings will be used on a first come first serve basis. To achieve the designated number of entries per section, after the Zone and National point lists are exhausted, entries will be accepted off the waiting list on a first come first serve basis.

3. If there are not enough entries through the zone qualifying process, entered horses will be accepted by total national points accumulated during the qualifying period regardless of the zone. If a section doesn't have a national standings list, the zone points will be compiled into a nationally ranked list.
